Your Good House

A Supplement to Good Housekeeping | November 2007

THE GREAT GREEN MAKEOVER

A 200-year-old home
gets an eco-friendly update

PLUS Gorgeous, earth-smart style for every room

FLOW GENTLY
An open plan keeps living areas casual. Distressed flooring from Mannington ties the spaces together

“Our hope is that this house will still be standing 200 years from now,” Lu says

PICTURE-PERFECT
Deidre Gatta, a local artist and friend, painted this view, left, of the Samus’ home, as well as other works throughout the house
